General	
Power Supply	DC12V±10%, POE
Dimension	643×427.15×65mm
Weight	Net Weight 10.9Kg, Gross Weight 11.9Kg

FEATURES

- Built-in 2 Mega Pixel AI Camera
- Real time display of monitoring videos, storage capacity up to 1TB
- Deterrence image: real-time video, deterrence image, audio, and indicator lights
- Support image advertising
- Two display modes: full screen monitoring video / full screen advertising
- Pop-up deterrence image when detected person by AI/motion/PIR or alarm in triggering signal
- Up load LOGO by end user
- Any triggering signal can switch on any or all deterrence image
- Zoom and focus can be done from the WEB, and batch setting can be done from CMS
- Support CMS batch management: device setting and/or upload LOGO, deterrence image, deterrence audio, Ad file
- Emergency display image and/ or audio can be switch on by emergency alarm in
- Support privacy mask on the screen
- Face red box can attract audience attention
- Powered by Linux OS. More stable and cost effective
